

SONGS OF PRAISE

On Sunday 26th February our 11 a.m. Service will feature 'Songs of Praise' in a "Cafe Service", seated at tables with biscuits & drinks. This gives the chance for you to pick and sing your favourite hymn/song. If we have too many selections we can always have another one later in the year! There will be an optional "Bring & Share" Lunch afterwards.

If you would like to pick a hymn/song please complete and post the tear off slip at the bottom of this page into the one of the boxes in the churches by Sunday 19th February at the latest. If you could include the reason for choosing the hymn this could feature in the service. I am sure this would be informative and an encouragement to those who come.
