

Parish News

'Knebworth Parish News' is a popular monthly publication, produced by the Anglican Churches in Knebworth for the whole village. The magazine is on sale in Village News, Station Road, St. Martin's or St. Mary's Churches, or by subscription.

On average it carries 16 pages of news and information. All the Churches in the Village are represented as well as the Parish and District Councils. News and views from many Village organisations and clubs are featured. Space permitting, information on events from surrounding villages and general interest articles may be included. The "What's On" diary page lists events for the month; an annual Village Directory update is included as a centre page spread.

Box and line adverts booked annually, help keep production costs down as well as giving readers access to a variety of services. Small, personal 'for sale' and 'wanted' ads. are free for the first month.

The magazine is edited on a rota system by a team, email knebworthparishnews@hotmail.co.uk. Alternatively, copy may be left in the box at the back of St. Martin's Church.

THE CARD STALL

The Card Stall consists of two display stands at the rear corner of St. Martin's Church.

They both hold a variety of Christian and 'blank for your own message' cards, for all seasons and personal greetings. Also available are small scripture cards, bookmarks, and occasionally small gifts.

The stall no longer stocks books but if you wish to order a specific title or 'housegroup' series, speak to Lis Clifford telephone 01438 814004. A little profit is made on sales which, in the past, have been used flexibly where needed to help fund Church books and replenish the stall with a regular supply of stock.

In the absence of Lis, who administers the card stall, a simple system of paper communication and a locked wall safe box facilitates self-service by payment or IOU and also orders. Give details of the title and author as well as your name and phone number please.

LIBRARY

We also have a library housed on a trolley at the side of St. Martin's and on some occasions such as courses it will be taken elsewhere to become available wherever needed.

The books held have been given or loaned to form the library. All are available to be borrowed; just returned them when you are ready.
